

Adult Suicide Prevention

Mini-Grant Rubric

	2	1	0
Criteria A			
Purpose	Purpose is well defined and consistent with some aspect of suicide prevention, including alignment with goals and objectives in the Pennsylvania Statewide Suicide Prevention Plan	Purpose is defined and consistent with some aspect of suicide prevention but lacks detail	Purpose is unclear or does not have a defined focus on some aspect of suicide prevention
Planned Activity	Proposed activity is clearly articulated and consistent with the purpose	Proposed activity is defined but lacks some specific details	Proposed activity is vague or unclear
Criteria B (3 total points needed)			
Care Continuity Partnerships (involving 2 or more systems)	More than 2 systems are included in the planning or in attendance of the proposed activity	2 or more systems are included in the planning or in attendance of the proposed activity	Only one system is included in the planning or in attendance of the proposed activity
Utilization of needs identified by county stakeholders	The proposed activity addresses a need identified as a priority by county stakeholders	The proposed activity addresses a need identified by county leaderships	The proposed activity does not directly address a need identified as a priority by county leadership or larger county stakeholders
Potential Impact	Proposed activity may impact a large group* of individuals or have a significant impact on a targeted but smaller group of individuals	Proposed activity may impact a small number of individuals	Impact is unclear or undefined
Criteria C (2 total points needed)			
Sustainability	Proposal has a plan for examining the sustainability for this or other similar activities in the future	Proposal has some details that allude to sustainability, but no plan for examining sustainability	No efforts are defined to examine sustainability
Evaluation	Proposal includes details on how the impact will be evaluated (quantitative or qualitative)	Proposal alludes to the potential for evaluation, but not well defined	No evaluation planned
Criteria D			
Feasibility of Completion within Timeline	Proposed activity has a clear timeline which includes completion by the stated end date	Proposed activity has a timeline, but may not be completed by stated end date	Proposed activity has no timeline or it seems unlikely that the activity will be completed by the stated end date
Budget & Justification	Proposed activity is within the allowable budget and all activities are justified with sufficient detail	Proposed activity is within the allowable budget but justification lacks specificity	Proposed activity is over budget or the budget is not adequately justified
TOTAL			

*Note = "Large group" is relative to what is generally seen at similar events or activities in *your* county. Feel free to define this in your application, if needed.

Total points = _____

Note: A minimum score of 11 is necessary, with 3 of those points from Criteria B and 2 points from Criteria C in order to be considered for funding.
